Statement of Interest for RSSAC Caucus

Name: Ashley Heineman

Motivation:
Interest in contributing to a stable and secure root server system. I am willing to work on documents related to root name server operations, particularly those that require insight into the root zone management process and requirements.

Indication of availability, not a formal commitment:
I can work on RSSAC documents for about 5 hours per month in addition to the time I spend for formal RSSAC business.

About me: https://www.linkedin.com/pub/ashley-heineman/0/62b/996

Relevant Qualifications:
• Alternate Contracting Officer’s Representative (COR) for the IANA functions contract with ICANN
• Alternate Federal Program Officer for Cooperative Agreement with Verisign
• Program Manager for authoritative Root DNSSEC efforts

Formal roles and interests in the work area of RSSAC:
Currently employed by the National Telecommunications and Information Administration (NTIA)
