

## Statement of Interest for the RSSAC Caucus

**Name:** Gerry Sneeringer

**Affiliation/Current Position:** University of Maryland / Chief Information Security Officer

**Relevant Qualifications:** Involved in support of DNS at University of Maryland (including d-root) for over 20 years.

**Motivation:** Most of my professional career has revolved around DNS or Security. I'm interested in the ongoing defense of the Root Server eco-system.

**Availability:** I can give the Caucus 4-6 hours per month.

**Formal Roles and Interests in the Work of RSSAC:**

- Member of the d-root support team
- Member of DNS-OARC Policy Council/Board of Directors 2008-2010
