Name: Kevin L. Jones

Motivation: On behalf of the National Aeronautics and Space Administration (NASA), I am interested in facilitating the effective support of e-root and ensuring that ample access is enabled via both IPv4 and IPv6. I am also interested in Internet governance: both understanding the governance that exist now and helping to develop the new polices that will be created going forward.

Indication of availability, not a formal commitment:

- Attendance at RSSAC teleconferences and F2F meetings
- Responses and feedback on RSSAC proposals and discussions
- Reviewing and providing feedback on RSSAC work products

About me:

www.linkedin.com/pub/kevin-l-jones/0/387/438/

Relevant Qualifications:

- IPv6 Leadership
    - Fedv6-Outreach Co-Chair
    - NASA IPv6 Transition Manager
    - Ames Research Center IPv6 Transition Manager
- Ames Internet eXchange (AIX) Manager
- Worked in various other roles in IT for approximately 20-years during my NASA career.

Formal roles and interests in the work area of RSSAC:

As the NASA representative for E root, I am interested in ensuring that we are following the recommendations that are contained in the RSSAC root server guidance documents.
