

Statement of Interest for RSSAC Caucus

Name: Peter Losher

About Me:

I am the Senior Operations Architect at Internet Systems Consortium.
LinkedIn profile: <http://www.linkedin.com/in/ploser/>

Relevant qualifications:

- DNS operator for over 20 years.
- I have supported ISC's operation/management of F.ROOT-SERVERS.NET (F-Root) since 2001.

Motivation:

My interest in the Caucus stems from my work within the root server community for over a decade and in Internet governance.

Indication of availability:

I can work on RSSAC Caucus tasks for a minimum of 10 hours a month.

Formal role and interest in the work of RSSAC:

- Responsible for F-Root.
- Supporting the official F-Root representatives on RSSAC.
