

## **Statement of Interest for RSSAC Caucus**

**Name:** Zheng Wang

### **Affiliation and current position:**

China Organizational Name Administration Center, Director of Joint Labs.

### **Relevant qualifications:**

- Chief architect of the global and distributed DNS monitoring and analysis platform.
- Designer of the DNS and DNSSEC systems.
- Principle Investigator of several research projects on DNS and DNS security.
- Years of research experiences on the root zone and the root servers.

### **Motivation for membership in the Caucus:**

Participate in the efforts taken by RSSAC and the Caucus towards an efficient, stable and resilience root system.

### **Indication of availability (not a formal commitment):**

I can work on RSSAC documents for about 8 hours per month. My scheduling horizon is about 6 weeks.

### **Formal roles and interests in the work of RSSAC:**

No previous formal role yet, but interested in addressing the root issues such as stability, security, and scalability.
