1

What is the primary role of your Regional At-Large Organization?

2

What are the key issues and/or activities in your region? Which ones are regular occurrence? Ad-Hoc?

3

Is it important to see other regional activities? What would you like to see?

4

What type of information would you like to see on the RALO page? What should be on the WIKI v. Website? (see list)

Discussion Items

5

What information should we have on the ALSes? Independent members? List, logo, link to website / WIKI? Sub-regions?

6

How important is Social Media? How frequent are the updates? Who updates?

7

How would you like to see translations? Should we test plugins? What is minimum that should be translated? Who can do this?

8

Who should update content for RALO pages? For launch, staff will update? Would RALOs want to update news, events, etc?

Thank You
