Comments on IGF 2014

- Logistical aspects (Internet connection, power outlets, identification of meeting rooms, meal, external events included in the IGF agenda, etc.)
- Substantial aspects (number of panelists, tag names of panelists, more interactive remote participation, training of moderator of sessions, role of MAG members in the organization of sessions and in the panels of the IGF, meetings of the MAG members in the IGF, relevance of the subthemes of IGF and its relation to the focus sessions, etc.)
