Grace: Hello, this is Grace and Peter. We will be monitoring this chat room. In this role, we are the voice for the remote participants, ensuring that they are heard equally with those who are "in-room" participants. When submitting a question that you want us to read out loud on the mic, please provide your name and affiliation if you have one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud of the mic, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic. Any questions or comments provided outside of the session time will not be read aloud.
