Maryam Bakoshi: Hello, my name is Maryam Bakoshi and I will be monitoring this chat room. In this role, I am the voice for the remote participants, ensuring that they are heard equally with those who are “in-room” participants. Please note that I will only be able to read your comment/question within the time set by the Chair of this session

Maryam Bakoshi: The chat rooms are the virtual meetings’ for everyone, in-room and remote. When submitting a question that you want me to read out loud on the mic, please start with a <QUESTION> and end with a “</QUESTION>”. Text outside these quotes will be considered as part of “chat” and will not be read out loud on the mic

Maryam Bakoshi: Please note that chat sessions are being archived and follow the ICANN Expected Standards of Behavior:
