Andrea Glandon - ICANN Org

Stephanie Perrin
01:24:09
No I agree, we have no reason to vote against
-
Manju Chen
01:24:18
+1 Stephanie

Stephanie Perrin
01:25:13
The only issue is how much of a fuss we raise if the BC and IP guys vote against…..ignore, or call them out on bad faith. I think the former....

Manju Chen
01:27:27
i think it was about EPDP P2A
-
Stephanie Perrin
01:27:38
Since we have often voted against reports in the past, seems wrong to claim they cannot vote against if they are unhappy
-
Stephanie Perrin
01:27:46
Yes it is on EPDP
-
Stephanie Perrin
01:27:56
I type slowly.....
-
Stephanie Perrin
01:28:36
Nomcom is a mess, favour deferral although I have not followed this issue closely. Where is Raoul?
-
Stephanie Perrin
01:29:16
No big deal Tat!
-
Stephanie Perrin
01:35:21
Who is taking over as the ALAC liaison, after Cheryl leaves? Sorry, I missed this at the Council meet and greet...
-
Tomslin Samme-Nlar
01:35:42
Can't remember the name
-
Stephanie Perrin
01:36:50
You would both remember if it were Alan Greenberg though, right? He was previous to Cheryl as I recall.
-
Tomslin Samme-Nlar
01:37:12
We would :-)

Hey, you can do what I do, and observe the policy names. Fade into the woodwork but not
disappear completely

-

Stephanie Perrin

01:44:57

Thanks, interesting choice and more AP representation, which is good.

-

avri doria

01:45:29

… observe the policy meetings - not names

-

Stephanie Perrin

01:46:31

Don't forget we need to replace me on the EPDP IRT and the COICP committee
Tomslin….please. Juan is our rep on the latter but he needs support, lots going on.

-

Manju Chen

01:47:29

thank you so much Tatiana for the warm encouragement! (sorry i type slow too….) also am
super curious about the workouts at home tab in your browser lol

-

Tatiana Tropina

01:48:23

Manju LOL I should have thought of that :D

-

Tatiana Tropina

01:49:26

Workouts at home were my fitness routine during COVID time when I couldn't go to gym. If you are curious check FitnessBlender on YouTube, this is where most of workout at home bookmarks come from

-

Manju Chen

01:50:52

no kidding! I used to do FitnessBlender a lot!

-

Tatiana Tropina

01:51:15

They are the best, aren't they? :-)

-

desiree_miloshevic

01:51:34

Thx Tatiana - I am interested in future crimes book on your shelf :-)

-

Tatiana Tropina

01:51:51

Desiree, it's already a history book lol

-

Tatiana Tropina

01:52:05

It's from 2015, all the future crimes there are yesterday's crimes :D

-

desiree_miloshevic

01:52:32

lol

-

Tatiana Tropina

01:52:40

You can borrow this book next time we meet!

-

Stephanie Perrin

02:03:18

-

Tomslin Samme-Nlar

02:04:40

I actually don't know who is on there

-

Stephanie Perrin

02:05:30

Seems to be a rather important role....

-

Stephanie Perrin
02:05:58
Exactly, it is an automatic roadblock
-
Jeff Neuman
02:06:31
It was INterisle COnsukting'

-
Stephanie Perrin
02:06:43
I am fairly sceptical of the reality of algorithmic transparency. As a non geek who tries to follow
-
Jeff Neuman
02:06:48
Sorry Interise Consulting
-
Jeff Neuman
02:06:57
I can't spell
-
Jeff Neuman
02:07:43
Unlike the former SWORD tool, this tool has definitive rules with no subjectivity
-
Jeff Neuman
02:08:16
Code points are either valid or not valid and that is known in advance
-
Jeff Neuman
02:08:26
according to the LGR rules

-
Stephanie Perrin
02:12:04
Got it, thanks Jeff!
-
Jeff Neuman
02:12:07
If I were a betting person, I would bet that perhaps ICANN does the stability review in house, but that is just a guess based on some of the other things they now do in house
-
Stephanie Perrin
02:13:28
I will certainly help anyone who wants to join. I just cannot do Council and three groups on top of the work that pays the bills here…..
-
Farell Folly
02:14:07
….*on top of the work that pays the bills :D nicely said
-
Stephanie Perrin
02:14:09
That continuous improvement committee is vitally important. Juan needs backup.
-
Bruna Martins dos Santos
02:14:22
I have one AOB too
-
Stephanie Perrin
02:14:33
