

## **Brett Schaefer SOI**

Submitted 28 October 2015

Name: Brett Schaefer and I am the Jay Kingham Fellow in International Regulatory Affairs at The Heritage Foundation based in Washington, DC.

Interest in ICANN: principally involves the policy and accountability questions raised by the proposed transition away from ICANN's historical contractual relationship with NTIA

I have no relationships with ICANN Board members or staff aside from discussions arising from the NTIA announcement in March 2014. The Heritage Foundation joined the NCUC and the NCSG in April of 2015
