

1. Name: Jeffrey J. Neuman (same Pic)
2. Stakeholder Group: Registrars
3. Constituency: N/A
4. N/A
5. Employer: Com Laude USA / Valideus USA
6. Position: Senior Vice President
7. Description: In this role, among other things, I provide am responsible for helping the Com Laude and Valdeus teams expand their global reach into North America and help provide additional strategic support to North American customers. Com Laude manages domain name portfolios for leading companies and law firms. Valideus helps brand owners, professional associations and community leaders to evaluate the ICANN new gTLD opportunity, to navigate the application process and to manage secure registries. It also provides registrant validation services, consultancy on policy and training.
8. Country: USA
9. Financial Relationship: Com Laude is a corporate domain name registrar accredited by ICANN. As a Senior Vice President within Com Laude/Valideus, I am in senior leadership of the company.
10. Yes, Com Laude and Valideus
11. Yes. Other than being a "contracted party" bound by Consensus Policies, as defined in Registrar Accreditation agreement, neither Com Laude nor Valideus have any other commercial interest in ICANN GNSO policy development outcomes.
  - a. 11b) No.
12. I have been on a number of ICANN working groups over the years including ones dealing with the policy development process, reserved names, whois, registry operational issues, new gTLDs, transfers and domain name abuse to name a few.
