Benjamin Akinmoyeje(Nigeria):Hello

Louise Marie Hurel:Hi all

Ore Lesi:Hello Farzaneh. Hello everyone.

Farzaneh Badii:Speak up people! :) what are the challenges?

Farzaneh Badii:knowledge? intimidation?

Farzaneh Badii:can I get a dial out ? I don't have the number... Ozan

Elsa Saade:sorry all but i have problems with my mic!! but ill be here to chat :)

Bruna Martins dos Santos:Definitely the both of them! As we have pointed out before the disparities of knowledge between participants in an specific PDP too

Ozan Sahin:Hi Farzaneh - certainly! Can you please send me your telephone number through private chat?

Ozan Sahin:I will contact the operator for the dial out

Farzaneh Badii:no problem I am just gonna dial in thanks much

Bruna Martins dos Santos:that works perfectly

Benedetta Rossi:Otherwise I'm happy to read out answers or comments from the chat for the record

Bruna Martins dos Santos:Another challenge would be when other groups trying to impose only their view and questioning the legitimacy of the process if they're not considered.

Farzaneh Badii:thanks Ozan I just called in

Ozan Sahin:OK great, thanks!

Cheryl Langdon-Orr (CLO) 2:Type doesn't seem to work via the AC mobile app

Bruna Martins dos Santos:If anyone wants to type on the chat I can help copy on the whiteboard

Cheryl Langdon-Orr (CLO) 2:thanks Bruna

Benedetta Rossi:@Cheryl we can also help so please type in the chat and I can either read your comments or post them to the whiteboard

Cheryl Langdon-Orr (CLO) 2:type please for me Public Interest

Benedetta Rossi:@all please feel free to type here and I can add them to the whiteboard

Ozan Sahin:@Cheryl I will do

Cheryl Langdon-Orr (CLO) 2:thanks

Cheryl Langdon-Orr (CLO) 2:virtual and still demanding...FYI I am currently in 3 overlapping ICANN Meeting Adobe Connect rooms... bandwidth personal and actual is often not considered

Cheryl Langdon-Orr (CLO) 2:yet at weekly 0300 meetings the introduction bit wuns very thin, thus my tendency to say "Google me" ðŹŹŹ

Cheryl Langdon-Orr (CLO) 2:qualification on my follow up with the meeting choice, in ICANN it's usually that too many meetings are too close together

Farzaneh Badii:oh that;s interesting. following up is challenging

Bruna Martins dos Santos:Also surprised

Bruna Martins dos Santos:Maybe theres a need for more clarity with regards to action points ?

Bruna Martins dos Santos:when following up

Farzaneh Badii:too many meetings. people should work with mailing list more

Bruna Martins dos Santos:+1

Cheryl Langdon-Orr (CLO) 2:some cultures are limited in Mailing list use .. so it can limit Participants in some way

Cheryl Langdon-Orr (CLO) 2:some countries in APAC. have limitations cultural and technical

Bruna Martins dos Santos:But the advantage on the mailing lists is the lack of time zones as well, haha

Roli:importance of introductions :)

Shahul Hameed:Understand your core values at first.

Ore Lesi:Audio was bad from my end, so I missed big chunks of the presentation. And this is a big barrier for me in participating effectively in virtual meetings.

Benedetta Rossi:@Ore, sorry to read this. The recordings will be made available so hopefully you'll be able to listen to them

Benedetta Rossi>Please submit your feedback on this webinar
