Elsa Saade: who do you think will be on the panel Farzi?

Elsa Saade: on the part before this one

Elsa Saade: Okay! Good luck to that person :)

Akinremi Peter Taiwo: We are listening Farz :)

Kathy Kleiman: In 40 minutes with no preliminary materials?

Kathy Kleiman: Hi Farzi, it's not a long time to discuss strategy (which includes history)

Akinremi Peter Taiwo: Yes Kathy

Kathy Kleiman: Perhaps you are thinking of something a bit narrower?

Kathy Kleiman: lol

Bruna Martins dos Santos: Is it feasible to assemble a google form with 1 to 2 questions on this ? and share before the session?

Bruna Martins dos Santos: (disregard this if you did it already)

Bruna Martins dos Santos: lol

Elsa Saade: haha

Collin Kurre: Hi guys, sorry for being late, scheduling conflict.

Kathy Kleiman: Hi Collin, we just discussed the NCSG/Board meeting - with the third question being about Human Rights.

Kathy Kleiman: It's on an earlier slide.

Collin Kurre: Great, tuned in just in time :)

Elsa Saade: yes Kathy!

Collin Kurre: Better

Collin Kurre: We're going to duke it out and decide what public interest means once and for all! ;)

Kathy Kleiman: Budget - 15 minutes

Kathy Kleiman: ??

Kathy Kleiman: short!

Bruna Martins dos Santos: NCUC meeting will also have a short staff presentation on new CROP rules, so maybe the discussion can be continued during NCSG

Kathy Kleiman: new hand

Bruna Martins dos Santos: (Taking into consideration that CROP was one of the resources that were cut)

Collin Kurre: I'm pretty sure Akriti Bopana from CIS India has been working on budget issues, perhaps we could reach out to her to touch base on the work they're doing?

Bruna Martins dos Santos: or if someone from the Finance committee could help with this part

Bruna Martins dos Santos: with Kathy's guidance of course

Kathy Kleiman: happy to take it offline...

Kathy Kleiman: Tx Bruna!

Bruna Martins dos Santos: @collin thats a good suggestion!

Akinremi Peter Taiwo: Same here but 15 minutes should be okay

Kathy Kleiman: Who is the new ALAC Chair?

Bruna Martins dos Santos: Maureen

Kathy Kleiman: Farzi - tx for explaining -- you made a great case!

Bruna Martins dos Santos: ahhaa

Tatiana Tropina: all, sorry -- have to leave now. Farz, thanks for arranging this meeting!

Akinremi Peter Taiwo: yes

Olga Kyrlyiuk: it works

farzaneh badii: oh you let the audience talk?

farzaneh badii: :)

farzaneh badii: Participants :)) not audience...

Kathy Kleiman: Bruna - great! Tx!

Bruna Martins dos Santos: NCUC EC Meeting - Saturday, Oct 20 @10h30 to 11h45

Bruna Martins dos Santos: NCUC & At-Large Outreach, Monday, Oct 22nd @10h30 until 13h15

Bruna Martins dos Santos: NCUC Constituency Day - Tuesday, Oct 23, 13h30 to 15h00

Bruna Martins dos Santos: Its worth noting that with regards to policy participation we are advising all members to follow NCSG advice. GNSO council suggested that constituencies and Groups avoided any clashes with PDPs meetings and this is the reason behind a leaner NCUC agenda

Bruna Martins dos Santos: we all want our members joining PDP related sessions (:

Elsa Saade: here! and staying :P

Kathy Kleiman: Rights Protections Mechanisms WG sessions :-)

Olga Kyryliuk: Thanks Farzi for a useful update

Collin Kurre: Hasta barcelona!

Kathy Kleiman: Tx FARzi!!

Bruna Martins dos Santos: thanks a lot, Farzi! looking forward to seeing you all there
