# Civil society engagement FY16

Jean-Jacques Sahel | ICANN 53 | 21 June 2015

"Our times demand a new definition of leadership - global leadership.

They demand a new constellation of international cooperation - governments, civil society and the private sector, working together for a collective global good."

United Nations Secretary-General Ban Ki-moon  
*Speech at World Economic Forum  
Davos, Switzerland (29 January 2009)*

# Objectives FY16

**Build on pilots / ad hoc run so far  
And in partnership with our communities**

- 1. A structured approach:** To develop plan in time for rollout at the ICANN54 meeting
- 2. Tailored content and communications:** To assess existing and if necessary develop tailored content for use with civil society audiences, both online and face to face activities
- 3. Engagement activities:** both at global and regional levels, own events + engagement in CS event in each main region, and at each ICANN meeting
- 4. Capacity building:** assessment of existing capacity building, learning and related programmes, and as necessary, devise a roadmap to either enhance or put in place such programmes, including to support our communities' own outreach efforts

## **Scope of this plan:**

- At Large Community, NCSG – NCUC and NPOC
- Non-Governmental Organisations (NGOs), individual Internet end-user representatives & academia

Thank you :

**You can all contribute !**
