Robin to tidy up the member removal process

document in the next 2 weeks and then discussion

takes place on the EC list before being sent out to the membership

In addition two non-NCSG members would like to subscribe to NCSG-DISCUSS: Amr Elsadr and Julf Helsingius (the NCPH NCA).

Excom agreed for Amr and Julf to be kept on the NCSG mailing list

Member database fields:

RG: we should have that be part of the question so we don't have to go back and ask them when they apply this category

Org applications view is limited: needs to be clicked open to see further details, reps info needs to be seen on the representative tab

AOB:
