### Meeting Notes

The GP discussed the following agenda.

1. The GP chair informed that the draft agenda for the face to face meeting in Brussels is available online at the [Google Document](#). All members are invited to review this and provide feedback.
2. The GP discussed the LGR proposal and agreed on the following timeline:
  - From now on – 14 January 2018
    - Incorporate GP responses in the IP feedback in the proposal
    - Include the preliminary in-script variant sets in the proposal
  - 15 – 17 January 2018
    - Call for a final proposal review by all GP members.
    - The XML LGR will be updated simultaneously
  - 17 January 2018
    - Reach a final agreement on the proposal and the XML during the GP online meeting.
  - 21 January (or earlier)
    - Convert the proposal from Google Doc to an offline version.
    - Share the proposal with the IP.
3. The GP readdressed the action items from the previous online meeting and concluded that:
  - The current analysis already covers most of the base characters.

- Mats volunteered to prepare a Google Document for the test label list. He will try to prepare an initial version of the test labels to be shared at the same time as the proposal.
- The HTML underlining issue will be discussed during the face to face meeting in February 2018.
- Meikal volunteered to draft a text regarding the IDNA2003 compatibility to start a group discussion.
- The homework from Brussels and the “circle” and “vertical bar” glyph analysis will be discussed in the next online meeting.

4. Next meeting is 17 January 2019, 16:00
