Bruna Santos: Great point, SubPro has a lot of discussions on Applicant freedom of expression, closed generics, and a few other points that could touch upon HR. This is the draft of NCSG's input to the Initial report if anyone would like to help us out with some of these points: https://docs.google.com/document/d/1SxCa4cn-NEiS_tea-jUP02DSG6IEzf_O4_MBPLUtxZs/edit :)

Collin Kurre: Great, thanks for that link Bruna!

Stephanie Perrin: Rafik would be better , I am having Internet problems, might die any minutes

Collin Kurre: No problem, thanks Stephanie!

Collin Kurre: To complement Rafik's overview, here is an overview of the GNSO PDP 3.0: <https://gnso.icann.org/sites/default/files/file/field-file-attach/pdp-discussion-paper-11may18-en.pdf>

David McAuley: Thanks Collin

David McAuley: helpful overview, thanks Rafik

Collin Kurre: Example of a human rights checklist: <https://docs.google.com/document/d/1H-PMY3fcLMVicEHLXQexjH5uHUcwoakofGL4RTOve4/edit>

David McAuley: Useful idea but the discussion could take a great deal of time

Collin Kurre: We should note that .nz folks were keen to join this call, but not keen enough to wake up at 2am for it ;)

David McAuley: Does this group have any members from EFF, EPIC, CDT or other like organizations - they might be considering amicus briefs, be nice to know

Stephanie Perrin: whoops wrong chat

Stephanie Perrin: ICANN is the data controller. It cannot selectively enforce commercial rights and ignore registrant rights

David McAuley: good point Michael, Article 19

Stephanie Perrin: Those three are all NCUC members David.

David McAuley: Thanks Stephanie

Michael Karanicolas: Of course - agree with that

Stephanie Perrin: I think, in answer to the question about amicus briefs, there are too many bigger fish in the frying pan at the moment....

Stephanie Perrin: not that a small group somewhere might not start something and do a coalition to support.

David McAuley: Thanks co-chairs, Maryam, and all

Collin Kurre: Thanks all, hasta Barcelona!

Herb Waye Ombuds: Bye all see you in Barcelona

Raphael Beauregard-Lacroix: bye all!

Maryam Bakoshi: Thank you all for attending the call. Good bye.
