

Maryam Bakoshi: Dear all, welcome to the CCWP ICANN and Human Rights call on 26 Feb 2016

Niels ten Oever: Hi Maryam

Niels ten Oever: Did you get the note from Motoko with her request to call her in?

Maryam Bakoshi: Yes I did

Maryam Bakoshi: we are on it

Niels ten Oever: great

Maryam Bakoshi: I can hear you loud and clear

Niels ten Oever: Hi Maryam, just heard from Tatiana she is not allowed in the room.

Maryam Bakoshi: She is in now :)

Maryam Bakoshi: APologies for the delay Tatiana

Tatiana Tropina: Thanks Maryam, hi all :)

Maryam Bakoshi: Welcome, Matthew and Bastiaan

Matthew Shears: hello!

Maryam Bakoshi: Welocme Aarti and Robin

Aarti Bhavana: Hi Maryam, hi all :)

Maryam Bakoshi: Welcome James

James Gannon iPad: Yo!

Tatiana Tropina: JamsEEEE ;)

James Gannon iPad: I made it to an ICANN call!?!?!?

Bastiaan Goslings: Yes, me too - finally ;-)

Maryam Bakoshi: welcome Narine

Maryam Bakoshi: Welcome Tapani

Narine Khachatryan: hello everyone

Matthew Shears: did you want discussion or just reporting in - doesn't seem to be a huge amount of space for interaction

Matthew Shears: mandate to get out the big stick

Robin Gross: This agenda looks like a great session!

Tapani Tarvainen: +1 to hard moderation

Tatiana Tropina: well yes we can say that anyone interested can come to the working session and dive in with us

Matthew Shears: true

Robin Gross: Jeremy is coming to Marrakech?

Robin Gross: Excellent!

Robin Gross: Love that idea!

Tatiana Tropina: This intermediary liability requires Ry and Rr session, right, it's not only HR

James Gannon iPad: strongly support doing that with the rigs and regs

Robin Gross: definitely ISPs also

Tatiana Tropina: yes

Matthew Shears: good idea

Bastiaan Goslings: yep sounds like a great idea

James Gannon iPad: +1

Tatiana Tropina: and make it broader than just content/HR

Bastiaan Goslings: do we want to bring this to the ISPCP?

Matthew Shears: we should be aligned with the GAC WG on the Board's commitments to HR in WS2 - so we should be able to work with them on ensuring that this work happens

Matthew Shears: so maybe it's a good opportunity to get on the same page and agree some common goals

Tatiana Tropina: Well I can do it

Aarti Bhavana: Sure

Tatiana Tropina: yes.

Aarti Bhavana: Yes

Tatiana Tropina: O/ yes

Maryam Bakoshi: Welcome Ayden

Ayden Férdeline: Thank you, Maryam. I am here just as an observer

Tatiana Tropina: Niels, are there any updates on the board statement? :) after we sent the language

Maryam Bakoshi: Welcome Patrick

Patrick Lenihan: Hi All...!

Matthew Shears: wow - a veteran already - scary

Patrick Lenihan: :-)

Matthew Shears: agree Tatiana

Aarti Bhavana: +1 Tatiana

Tatiana Tropina: for the greater legitimisation :)

Matthew Shears: it would be useful to have someone from this group be the rapportuer for HR in WS2 if the opportunity presnets itself

Bastiaan Goslings: I agree - it seems most sensible (and effective) to include it in WS2

Tatiana Tropina: yes, I can't attend on Friday sadly so those who attend please bear this in mind :) thanks

Tatiana Tropina: Matt yes right, it will be great if Niels, Aatri, you or I could get something like that

Matthew Shears: there is a timing issue here that we in the WP need to be cautious about....

Matthew Shears: not getting ahead of ourselves before the board has signed up to the commitment and the community is onboard

Matthew Shears: we don't want to put folks off in the interim

Tatiana Tropina: Matt. YES.

Tatiana Tropina: I have some ideas as to what Niels asks

Matthew Shears: we need to map out WS2 and the CCWP timelines and see how we bring the work of the CCWP to bear on WS2 constructively

Matthew Shears: bring

Tatiana Tropina: yes, and there are might be some strategical/practical things to think about

Tatiana Tropina: mmmhhhhh..... not to me

Matthew Shears: yes, measured but ready to engage

Tatiana Tropina: yes +1 to Motoko. We need more info :)

Tatiana Tropina: I think there was discussion about this on NCSG list...

Tatiana Tropina: if I am not mistaken

Tapani Tarvainen: Yep. Be careful. Talk with people who know locals and local situation before doing anything.

Tapani Tarvainen: I think Rafik had some ideas here, might want to check with him.

James Gannon iPhone: +1 ft

Tatiana Tropina: yes I remember Rafik had some ideas :)

Matthew Shears: old hand

Matthew Shears: + 1 tapani - we always need to look to the local advocates and activists to understand how our support would be appropriately useful

Tatiana Tropina: let's try "bring one person with you" as a strategy for working session ;)

Tatiana Tropina: as an entrance ticket :D

Matthew Shears: good call Niels

Bastiaan Goslings: ciao!

Ayden Férdeline: Thank you all

Niels ten Oever: Thanks all!

Tatiana Tropina: thanks Niels and all!

Niels ten Oever: Great you were here

Corinne Cath: thanks all

Tapani Tarvainen: Bye all and thanks

Aarti Bhavana: Thanks Niels, Bye all :)

Maryam Bakoshi: Thank you for attending the meeting
