Robin Gross:only 9 days for public comment AFTER translations are available. Time is very short.  
Tatiana tropina:@Robin, yes. This is almost insulting  
Robin Gross:It is insulting. No "almost" about it.  
Matthew Shears:its certainly not open and inclusive  
Tatiana tropina:Well, after we got to know once on WP call that the deadline for the submission is the next day, I find 9 days "almost" insuting :)  
Matthew Shears:with that kind of wondow  
Maryam Bakoshi:@Niels: Subgroups are up in the main window

Maryam Bakoshi:)

Tatiana tropina:oh la.. I actually don't know why I am so lazy, I assume I can add myself to any mailing list without being a

member of the group. :) So I can do it on my own  
Maryam Bakoshi: :)  
Tatiana tropina: Marilia, thanks, that's great!  
Matthew Shears: do we have an identified upcoming pdp that is going to a suitable guinea pig for our work?  
stefania m.: @Marilia thanks for the GNSO update. i am muted :-(  
Aarti Bhavana: Thanks for that update, Marilia  
Marilia Maciel: Welcome :)  
Pranesh Prakash: Lols. Thanks, Niels.  
Matthew Shears: dec 21 - holiday week  
Matthew Shears: for some  
Pranesh Prakash: Dec. dates won't work for me. But my colleague Geetha will join instead.  
Marilia Maciel: Ok for me  
Tatiana tropina: I am fine with anything in December  
Aarti Bhavana: Works for me  
Marilia Maciel: Either date  
stefania m.: either works  
Matthew Shears: 18 is fine#  
Bastiaan Goslings: either works but 18 is better  
Tatiana tropina: let's make it 18  
Marilia Maciel: Ok  
Pranesh Prakash: That's worse for me (18th). There's the Global Congress on IP happening then.  
Tatiana tropina: for January I just meant we have to be careful with picking up the time because it might overlap with something later  
Marilia Maciel: :)  
Maryam Bakoshi: Same time?  
Tatiana tropina: 8-51 AM is ungodly  
Maryam Bakoshi: Depends on people  
Maryam Bakoshi: Usually 13 - 1600 works  
Tatiana tropina: ok  
Bastiaan Goslings: fine with me  
Maryam Bakoshi: Sure
