STATUS: Ratification Pending

AT-LARGE ADVISORY COMMITTEE

ALAC Statement on the Draft Report: Review of the Generic Names Supporting Organization

Introduction

Olivier Crépin-Leblond, ALAC member of the European Regional At-Large Organization (EURALO), ALAC Vice Chair, and ALAC Liaison to the GNSO composed an initial draft of the ALAC Statement.

On 16 July 2015, the first draft of the Statement was posted on the [At-Large Draft Report: Review of the Generic Names Supporting Organization Workspace](#).

On that same day, Alan Greenberg, Chair of the ALAC, requested ICANN Policy Staff in support of the ALAC to send a Call for Comments on the Statement to all At-Large members via the [ALAC-Announce Mailing List](#).

On 01 August 2015, a version incorporating the comments received was posted on the aforementioned workspace and the Chair requested that Staff open an ALAC ratification vote on the proposed Statement from 01 August 2015 to 06 August 2015.

The Chair then requested that a Statement be transmitted to the ICANN public comment process, copying the ICANN Staff member responsible for this topic, with a note that the Statement is pending ALAC ratification.

Online vote results in the ALAC will be published and a new version of the Statement incorporating an updated Staff introduction section will be submitted.

Independent Review of the Generic Names Supporting Organization - Draft Report

Public Comment Input Template

The Report Summary (Section 1, pages 4-20) offers a brief overview of Westlake’s work and outlines 36 proposed recommendations. Please refer to the specific recommendation and relevant section of the Draft Report for additional details and context about each recommendation.

The purpose of the Public Comment posting is to request community feedback on the Draft Report published by Westlake Governance, the independent examiner appointed by the Structural Improvements Committee of the ICANN Board for the review of the Generic Names Support Organization (GNSO). The Draft Report can be found at www.icann.org/en/system/files/files/gnso-review-draft-29may15-en.pdf.

The following template has been developed to facilitate input to this Public Comment. Use of the template is not required but is strongly encouraged to ensure that comments are appropriately applied. This template provides the opportunity for general input on the proposal as well as specific comments by section. Please note that there is no obligation to complete all of the sections – commenters may respond to as many or as few as they wish.

Following completion of the template, please save the document and submit it as a pdf attachment to the Public Comment proceeding: comments-gnso-review-01jun15@icann.org. In cases where comments are being submitted on behalf of a group, to facilitate development of group comments, a PDF version of the template is provided for sharing with the group; once the group comments are finalized, please enter them into the template rather than sending them as a Word or PDF file.

Please provide your name:

Please provide your affiliation:

Are you providing input on behalf of another entity (e.g. organization, company, government)?

Yes

No

If yes, please explain:

All of the Independent Examiner's recommendations have been classified into four topical themes: Participation and Representation; Continuous Development; Transparency; and Alignment with ICANN's Future. Please refer to the specific recommendation and relevant section of the Draft Report for additional details and context about each recommendation.

Please add your comments into the designated areas.

Recommendation #1 (Participation and Representation)

Develop and monitor metrics to evaluate the ongoing effectiveness of current outreach strategies and pilot programmes with regard to GNSO Working Groups (WGs) (as noted in the WG participation recommendations under section 5.4.5).

Recommendation #22 (Continuous Development)

That the GNSO should review and implement a revised training and development programme encompassing:

- Skills and competencies for each Council member
- Training and development needs identified
- Training and development relevant to each Council member
- Formal assessment system with objective measures
- Continual assessment and review.

Recommendation #23 (Participation and Representation)

That the GNSO Council and SGs and Cs adhere to the published process for applications for new constituencies. That the ICANN Board in assessing an application satisfy itself that all parties have followed due process. Subject to the application meeting the conditions, the default outcome should be that a new Constituency is admitted.

Enter comments to Recommendation #35:

Recommendation #36 (Participation and Representation)

That, when approving the formation of a PDP WG, the GNSO Council require that its membership represent as far as reasonably practicable the geographic, cultural and gender diversity of the Internet as a whole. Additionally, that when approving GNSO Policy, the ICANN Board explicitly satisfy itself that the GNSO Council undertook these actions when approving the formation of a PDP WG.
