Maxim Alzoba (FAITID):Is there a lot of background noise?

Maxim Alzoba (FAITID):I mean from my mic

Michelle DeSmyter:yes, there is quite a bit of background noise

Maxim Alzoba (FAITID):Ok, will copy the same text in chat

Maxim Alzoba (FAITID):Hi Matthias

Matthias Pfeifer .berlin:Hello all

Maxim Alzoba (FAITID):please magnify it a bit.

Nick Shorey (UK Gov):Hi folks

Brian Cimboric - Public Interest Registry:hi everyone

Maxim Alzoba (FAITID):is it possible to make it redline?

Maxim Alzoba (FAITID):I am not sure we have so good memory to remember all edits

Dietmar Lenden - Valideus Ltd:Denis - James Galvin is trying to get into the meeting but he appears to be waiting to be added

Jim Galvin (Afilias):Sorry I'm late. Was having trouble with AdobeConnect.

Brian Cimboric - Public Interest Registry:might it be easier to have the redline on the screen?

Michelle DeSmyter:yes

Michelle DeSmyter:one moment

Brian Cimboric - Public Interest Registry:+1 Alan

Brian Cimboric - Public Interest Registry:I think you covered it

Nick Shorey (UK Gov):@Alan - would this section be acceptable for re-inclusion if re-drafted as an example of proactive best practice, rather than being specifically listed as a 'trusted notifier'?

Donna Austin, Neustar:I think it's also a relatively new term that does not necessarily have a common understanding.

Maxim Alzoba (FAITID):Is there a case like Avalance, but not limited to EU +US?

Maxim Alzoba (FAITID):like something with China or Russia or India?

Nick Shorey (UK Gov):I don't know the specifics of Avalanche, but these cases are - whilst often targeted - rarely indiscriminate in targeting specific jurisdictions

Maxim Alzoba (FAITID):it is the question, EC+UK+US have some

common grounds about sharing efforts

Nick Shorey (UK Gov):- I don't think my comment made much sense!!

Nick Shorey (UK Gov):indeed - mind reader!

Maxim Alzoba (FAITID):registries have all kinds of ideas about response ... so it is quite hard to add it all

Brian Cimboric - Public Interest Registry:the Annex seemed redundant/obsolete with the new structure of the agreement

Brian Cimboric - Public Interest Registry:particularly where we laid out in detail what typical responses are (blocking, transferring etc ...)

Nick Shorey (UK Gov):Thanks

Brian Cimboric - Public Interest Registry:thanks everyone

Beth Bacon:Thanks, all!

Maxim Alzoba (FAITID):bye all

Matthias Pfeifer .berlin:thanks and bye!

Sean Baseri - Neustar:Thanks all

Yoshiro Yoneya (JPRS):Thanks, bye!

Jim Galvin (Afilias):bye all
