"Keeping the region informed"

**FELIZ AÑO NUEVO
BONNE ANNÉE
HAPPY NEW YEAR
2017**

End of Year 2016
Message from Our Chair

We like to take this opportunity to provide our NARALO membership a end of year message on behalf of Judith and myself.

Our election process was open and transparent and for a second year myself as chair and Judith as secretariat return to our positions. We also saw Eduardo as NOMCOM rep and Garth as ALAC for the second year. Lastly. Louis and Alan election resulted in solidifying Alan's position and he has the two year mandate to complete his work as the ALAC Chair.

It has been an exciting year of ICANN and NARALO as we saw the historical transition from NTIA to a independent ICANN. Many of our membership watched and participated with the process over the many months leading to the culmination in October 2016.

Special acknowledgement to Alan Greenberg our representative for the Unaffiliated and the current ALAC Chair in working delegating in multiple committees including the work on the ALS metrics and Criteria. His non stop work for ALAC and ATLARGE is leaving a indelible mark on our wider community

NARALO has been working on updating a number of things, Rules Of Procedures, NARALO brochure, NARALO slogan and the forthcoming General Assembly in April 2017 in New Orleans.

A key operational effort with John More as pen-holder has started on revamping our Rules of Procedure to inline with the other RALO's and making many of our processes and procedures clear and definitive

The second phase of the successful captioning pilot is going into the second year, spearheaded by Judith Hellerstein.

We also saw funding support for Valerie Fast Horse and April Tinhorn who participated with the ICANN Hyderabad and the fellowship programme which was a pilot Tribal Ambassador program targetted to the First Nations(Native) Americans and Canadians

Many of members provided critical feedback to revamp the fellowship program and we have seen changes that for the first time will include our communities eligible to apply for the fellowship program. This is the first time in ten years we will see this happen. Kudos to all that campaigned the cause of making the project more inclusive.

Looking back we also implemented the mid term report in Helsinki and the year in review in Hyderabad providing a report on the progress of our RALO.

In closing, we wish you all a successul 2017 and we look forward to seeing you in New Orleans

Glenn McKnight

From our San Francisco ALs

SFBay Area ISOC Chapter celebrated our accomplishments in 2016 at a board member's dinner in Palo Alto California on

December 1st . This year, we recognize increased membership engagement, successful regional community events, representation at several conferences, closer working relationship with Global ISOC and strategic partnerships with ICANN, ARIN and Silicon Valley organizations. Additionally, we value ISOC's Beyond the Net grants awarded to us in support of our events and projects. These accomplishments in conjunction with the recently introduced SFBay Sponsorship Program and Working Groups provide a strong foundation for continued success in 2017.

Special thanks to Vint Cerf for supporting our IoT conference, all the partnerships and the Board Members for making 2016 a great success.

Leah Symekher SFBay Area ISOC Chapter President/Chair

FELLOWSHIP PROGRAM

American Registry for Internet Numbers

What is the ARIN Fellowship Program?

Each Public Policy and Members Meeting, ARIN gives up to five individuals from each sector of the ARIN Region an opportunity to attend an ARIN Public Policy and Members Meeting with the following benefits:

- Hotel accommodations at the meeting hotel
- Round-trip economy class airfare to the meeting
- A small stipend
- An ARIN Advisory Council or seasoned community member mentor

ARIN Meeting Fellowships now optionally include registration and hotel accommodations for the [North American Network Operators Group \(NANOG\)](#) or the [Caribbean Network Operators Group \(CaribNOG\)](#) meeting when held back to back to ARIN's Public Policy and Members Meeting. NANOG is the professional association for Internet engineering and architecture that focuses on the technologies and systems that make the Internet function. CaribNOG is a community of network operators dedicated to exchanging technical information and experiences related to the management of IP networks in the Caribbean region.

[Applications](#) are now being accepted for ARIN's Fellowship Program for ARIN 39. Apply now through 5:00 PM ET Tuesday, 31 January 2017 for a chance to attend ARIN 39 in New Orleans, LA from 2-5 April 2017 at no cost.

Durham D.I.Y. Showcase

Foundation for Building Sustainable Communities is holding its fourth annual Durham DIY Showcase with this year's theme Technoopygy Then and Now to correspond to the 150th anniversary of Canadian's independence. This year we encourage all vendors to get into the spirit and showcase their technology "then and

now'

For example the computer club will have erly computers, printers, and more. The local Ham radio people will showcase WW2 technology vs the current software defined radios and much more. Its a free event to vendors and families in colloboration with IEEE student branch and the Toronto Section of IEEE.

meeting in New Orleans on April 2nd to the 5th, 2017

In advance to the NARALO GA @ ARIN meeting in New Orleans on April 2nd to the 5th, 2017. we are sharing some background information about ARIN, American Registry for Internet Numbers www.arin.net

ARIN is one of five Regional Internet Registries (RIRs) responsible for the worldwide technical coordination and management of Internet number resources.

ARIN @ A GLANCE

ARIN is a nonprofit, member-based organization that supports the operation of the Internet. ARIN's core service is the management and distribution of Internet number resources: Internet Protocol (IP) addresses and Autonomous System Numbers (ASNs). ARIN manages these resources within Canada, the United States, and many Caribbean and North Atlantic islands. ARIN also coordinates policy development by the community and advances the Internet through informational outreach.

ARIN serves the following economies:
Anguilla, Antarctica, Antigua and Barbuda, Bahamas, Barbados, Bermuda, Canada, Cayman Islands, Dominica, Grenada, Guadeloupe, Jamaica, Martinique, Montserrat, Saint Barthelemy, Saint Kitts and Nevis, Saint Lucia, St. Pierre and Miquelon, Saint Vincent and the Grenadines, St. Martin, St. Helena, Turks and Caicos Islands, Virgin Islands (British), United States, Puerto Rico, Virgin Islands (US), Bouvet Island, Heard and McDonald Islands

General Assembly Primer

In advance of the ARIN sessions we are organizing two sessions

Feb 6 and March 20th each at 2 to 3 pm

Introduction to ARIN sessions for all NARALO attendees. It will be a webinar lead by Chris Tacit of ARIN to introduce NARALO members to ARIN in advance of the GA
