June Chapter Event

Over 35 people attended the latest SF-Bay ISOC Chapter Event, "Blaming Technology" with Andrew Bridges, acclaimed IP attorney, at Fenwick & West LLP in San Francisco. Andrew and the audience debated topics including fake news and online moderation, algorithm transparency and algorithm responsibility, the Rule of Law: regulating behavior or technology, intellectual property/"piracy" as a product liability/negligence concept, and the policy battles facing technology and online platform providers. A full report will be available on the website soon and the videos of the event can be found HERE.
