San Francisco Bay Area ISOC Chapter News

The SFBay Area ISOC Chapter Board Chair, Leah Symekher & Vice Chair, Susannah Gray attended ARIN38 Meeting in Dallas, Texas to promote NARALO-ARIN collaboration as an ICANN AT-Large Structure. Thanks to CROPP and SFBay ISOC funding for making our participation possible.
**Other Highlights**: SFBay Chapter Working Groups are ready for rollout: The WGs focus on three key areas of interest to our members: 1. Internet Governance, 2. Data Protection, Privacy & Security and 3. IoT, Internet Technologies & Access.

**Event Announcement**: November 16, 2016, San Francisco. Hosted by the Electronic Frontier Foundation (EFF), who will deliver a Keynote speech on Shadow Regulation, [Event Details](#).

IEEE SIGHT poster board of the Off the Grid Solar System
Global Humanitarian Technology Conference

The GHTC, founded in Seattle, returned to its birthplace after six successful years. This is an IEEE-funded conference focused on humanitarian technology solutions. Of particular interest were sessions on connectivity and disaster preparedness. Glenn McKnight presented a paper on Mesh Technology. He is currently working in the implementation of Phase two next year.

Internet Governance Series on Elliademy

Glenn McKnight have launched the ongoing curated content for the Internet Governance Series on Elliademy. Its a free course with a strong emphasis of having video, graphics and infographics as the main source of content. In addition it has a very extensive bibliography and a growing list of experts in the Internet ecosystem.

Glenn will be filming all the sessions at the first Indian School of Internet Governance and posting the video content shortly after the event.

If anyone has any suggestions for content and links please contact him at: glenn.mcknight@ieee.org.

ICANN 57

ICANN|57 HYDERABAD
3-9 November

"Following a great deal of internal debate and discussion, and taking into consideration the continued spread of Zika, we have decided that we will be relocating ICANN57 from San Juan, Puerto Rico, to Hyderabad, India. Due to highly limited space availabilities, this relocation has necessitated changing the date of the meeting from 29 October - 4 November 2016, to 3 - 9 November 2016."
