

Dear all

Here the version 4 of our discussion with new suggestions we got from the call today:

- From day one – that is just the same ideas suggesting alternatives for outreach meeting
- From day two -
  - I kept the working groups work one each hour in the morning-
  - at the afternoon I took Beran's suggestion on reporting WG during that 2 hours,
  - then substituted the previous internal meeting to allow Board & ALAC meeting + *inreach* session to talk with Fellows and Next Generation
- From day three –
  - added ALAC & SSAC
  - I getting Sandra's idea I added a "Policy Open Forum I " to discuss policy issues with AC/SO and the community.
  - At afternoon I am suggesting a session for all Regional Strategies, a panel for exchanging plans, problems and success solutions – I named it "Regional Strategy Exchange"

- Then reserved a small time for ALAC work in general.
- Last in the day Showcase.
- From day 4
  - Kept some hours to have face to face meeting with SOs in the morning
  - Opened space for Policy open Forum II to discuss other policy issues
  - Left 1 hour for Wrap up session for ALAC
  - Left open ( till 19:30) to leadership team meeting.

I believe it will be almost impossible to decide if the session with SSAC will be at that slot or we can change to CCNSO, for instance.. Also, if we want , as ALAN have suggested, to attend Board X GAC we need to accommodate I probably on day 2 and rearrange the slot on day 4 or at lunch time.

Leaving some time in the day 4 morning and all lunch time slots I believe that we can accommodate almost all demands from other Ac/SO.

That is it folks. Now it is with you to make other suggestions.

Best regards,

Vanda
