participation therein	supporting organizations and dealing directly with registrars and registries. I have attended several ICANN meetings. My experience as former ICANN staff and current member of a contracted party has given me a strong understanding of the GNSO structure and operation.
8. A one to two paragraph statement about your specialized technical or other expertise of direct relevance to the responsibilities of the review team in question	I am familiar with the new gTLD program and have witnessed its development from multiple perspectives. While working in ICANN's Contractual Compliance Department, I helped implement systems to monitor and enforce the obligations contained within the new Registry Agreements. As a result, I was able to see these obligations move from concepts into actual practices. In my current role managing registrar compliance for Endurance International Group, I help integrate new gTLDs onto our registrar platforms and have observed the effect of new gTLDs on the retail and wholesale registrars we operate.
