21 December 2016

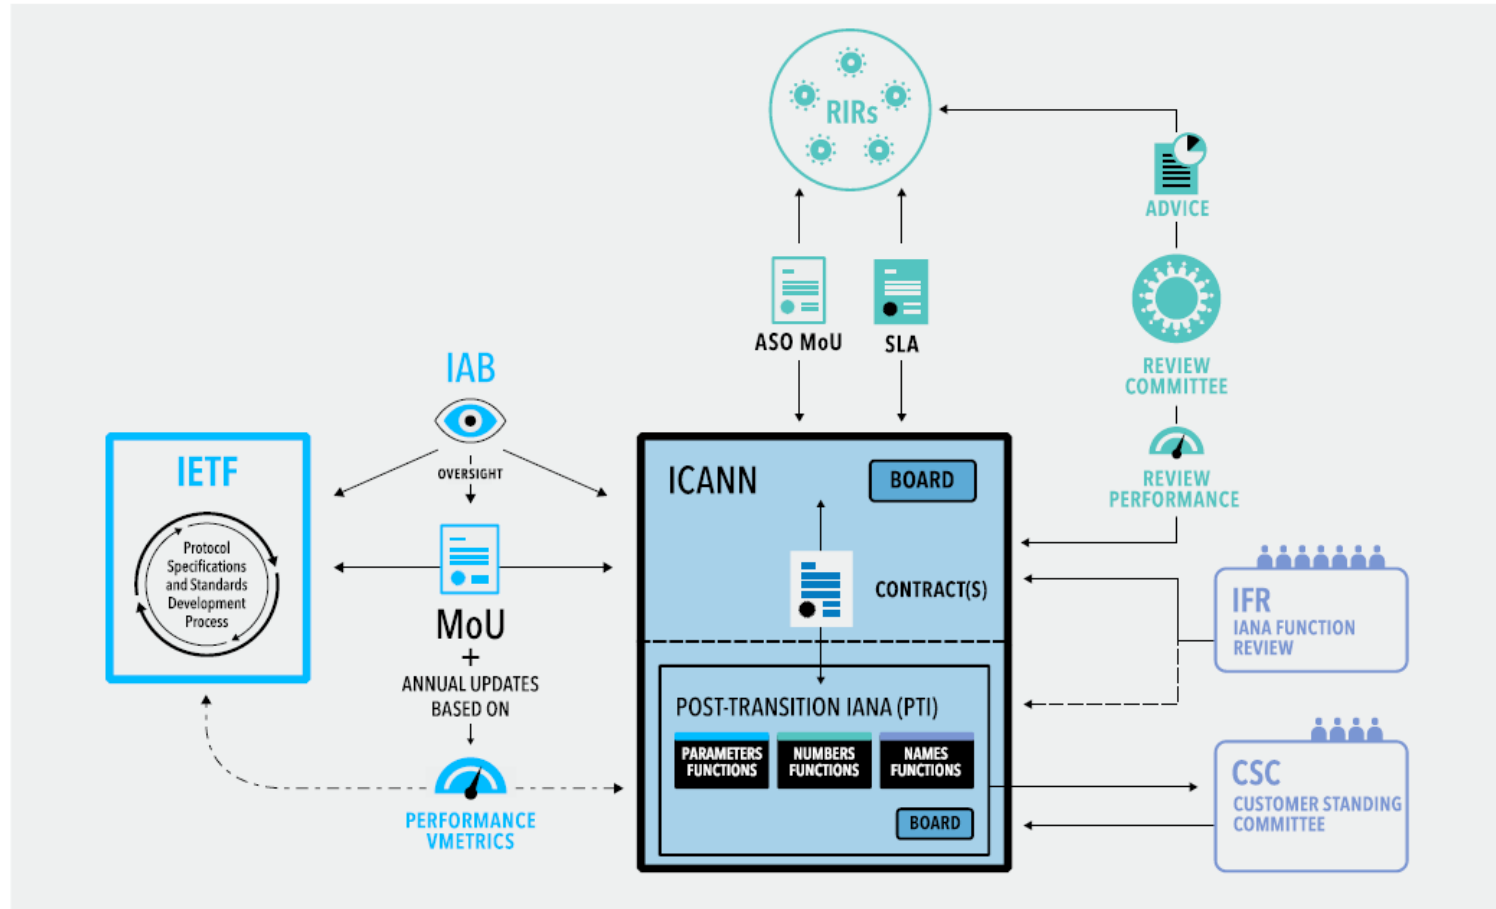

- Composition of PTI
- Background for PTI Board
- Board composition
- The way forward

Before and now

Combined proposal overview

CSC Customer Standing Committee

- established to perform the operational oversight previously performed by the U.S. Department of Commerce's National Telecommunications and Information Administration (NTIA)
- monitor the performance of the IANA naming function against agreed service level targets on a regular basis.
- analyse reports provided by the IANA Functions Operator on a monthly basis and publish their findings.

CSC composition

- Two gTLD Registry Operators.
- Two ccTLD Registry Operators.
- One liaison from the IANA Functions Operator (PTI) (mandatory)

One liaison each from other ICANN SOs and ACs:

- GNSO (non-registry)
- ALAC
- NRO (or ASO)
- GAC
- RSSAC
- SSAC

Background

Public Technical Identifiers Board

- Part of the new set up – the legal separation
- Board of 5 directors and have the minimum statutorily required responsibilities and powers - all appointed by ICANN as the sole member of PTI.
- The PTI Board is comprised of :
 - three directors who are employed by ICANN and PTI and
 - two additional independent directors (Nominated by NomCom)

PTI Board for the next year

The PTI Board:

- Elise Gerich, President PTI
- David Conrad, CTO ICANN
- Akram Atallah, President Global Domains Division ICANN
- Jonathan Robison, independent director
- Lise Fuhr, independent director

The way forward

- The PTI Board independent directors are interim – give time for the NomCom to set up requirements
- The CSC are forming their own procedures as suggested in the proposal
- Review of PTI to come in three years time

The work has just begun.....
