

Maryam Bakoshi: Dear all, welcome to the membership database solution call on 29 Jan 2016

Maryam Bakoshi: Welcome Tapani & Joan

Tapani Tarvainen: Can you hear me?

Joan Kerr: Hello Everyone

Maryam Bakoshi: Yes

Joan Kerr: Sam's just ogging in

Maryam Bakoshi: Thanks Joan. Welcome Sam

Sam Lanfranco: having bandwidth problems a bit here

Maryam Bakoshi: Welcome Brenden

Brenden Kuerbis: I took a stab at completing reqs

Joan Kerr: I put some stuff

Joan Kerr: Maryam

Brenden Kuerbis: hello?

Joan Kerr: Can you hear me

Joan Kerr: I wrote this in

Joan Kerr: Yes

Sam Lanfranco: Is that also an ICANN funding requirement ?

Maryam Bakoshi: Dear all, please kindly mute your mic when you are not speaking to help reduce interference. Thank you so much

Maryam Bakoshi: We have lost Brenden and Sam

Maryam Bakoshi: Sam has re-joined

Maryam Bakoshi: Brenden has re-joined

Joan Kerr: Yes

Maryam Bakoshi: Farzaneh was asking if the NCUC site can be re-designed

Sam Lanfranco: having lots of trouble with access

Maryam Bakoshi: Joan, your line is causing a bit of interference, so I have muted your mic from adobe connect

Maryam Bakoshi: please feel free to unmute your mic when you are ready to speak. Thank you

Brenden Kuerbis2: Yes

Brenden Kuerbis2: Right

Brenden Kuerbis2: Yes, aliases would be a good field

Brenden Kuerbis2: instead of "individual affiliated" call it "org rep"?

Sam Lanfranco: I am on by phone now

Brenden: do we want to add that requirement?

Brenden: notifications to administration of updates to membership profiles?

Tapani Tarvainen: automatic notification would be good, yes

Sam Lanfranco: My connect problems are at my end - @ local ISP

Brenden: that's interesting, i had not heard that ICANN does not want to be the client

Brenden: does not want to be the client

Brenden: great thx Tapani

Joan Kerr: Next steps

Joan Kerr: YES

Joan Kerr: ok

Brenden: lets get the reqs done asap

Brenden: no, thax Tapani
