

### Board consideration and interaction with CCWG-Accountability and chartering organizations

It is assumed that after submission of the Board Report, the ICANN Board of Directors will consider the Proposal(s) contained in this Report in accordance with the process outlined in its resolution of 16 October 2014 (see <https://www.icann.org/resources/board-material/resolutions-2014-10-16-en#2.d>):

*Resolved (2014.10.16.17), the Board commits to following the following principles when considering the Cross Community Working Group Recommendations on Enhancing ICANN Accountability and Governance:*

1. *These principles apply to consensus-based recommendations from the Cross Community Working Group on Enhancing ICANN Accountability and Governance.*
2. *If the Board believes it is not in the global public interest to implement a recommendation from the Cross Community Working Group on Enhancing ICANN Accountability and Governance (CCWG Recommendation), it must initiate a dialogue with the CCWG. A determination that it is not in the global public interest to implement a CCWG Recommendation requires a 2/3 majority of the Board.*
3. *The Board must provide detailed rationale to accompany the initiation of dialogue. The Board shall agree with the CCWG the method (e.g., by teleconference, email or otherwise) by which the dialogue will occur. The discussions shall be held in good faith and in a timely and efficient manner, to find a mutually acceptable solution.*
4. *The CCWG will have an opportunity to address the Board's concerns and report back to the Board on further deliberations regarding the Board's concerns. The CCWG shall discuss the Board's concerns within 30 days of the Board's initiation of the dialogue.*
5. *If a recommendation is modified through the CCWG, it is returned back to the Board for further consideration. The CCWG is to provide detailed rationale on how the modification addresses the concerns raised by the Board.*
6. *If, after modification, the Board still believes the CCWG Recommendation is not in the global public interest to implement the CCWG Recommendation, the Board may send the item back to the CCWG for further consideration, again requiring a 2/3 vote of the Board for that action. Detailed rationale for the Board's action is again required. In the event the Board determines not to accept a modification, then the Board shall not be entitled to set a solution on the issue addressed by the recommendation until such time as CCWG and the Board reach agreement.*

Before submitting a modified recommendation to the ICANN Board of Directors, as envisioned under 5. of the Board resolution, the CCWG-Accountability will submit a Draft Supplemental Board Report to the chartering organizations containing:

- a) The modified recommendations, and associated detailed rationale,
- b) The Board decision, and associated detailed rationale
- c) The recommendation as contained in the Board Report

Following submission of the Draft Supplemental Board Report, the chartering organizations shall discuss and decide in accordance with their own rules and procedures whether to adopt the modified recommendations contained in the report. The Chairs of the chartering organizations shall notify the co-chairs of the CCWG-Accountability of the result of the deliberations as soon as feasible.

After receiving the notifications from all chartering organizations, the co-Chairs of the CCWG-Accountability shall, within 10 working days after receiving the last notification, submit to the Chair of the ICANN Board of Directors and Chairs of all the chartering organizations the CCWG-Accountability Supplemental Board Report, which shall include at a minimum:

- a) The modified recommendations, and associated detailed rationale.
- b) The notifications of the decisions from the chartering organizations.
- c) Documentation of the process that was followed, including, but not limited to documenting the process of building consensus within the CCWG-Accountability and consultations with the chartering organizations.

If, in accordance with 6., the Board determines not to accept a modified recommendation, the CCWG-Accountability shall follow the procedure regarding the Supplemental Board Report, as just described, to reach agreement with the Board.
