Pamela Smith: Happy St. Patrick's Day, all. We will begin promptly at 18:00.

Karen Mulberry: Hello! I am in listen mode only

Pamela Smith: OK, Karen. Good to see you.

Karen Mulberry: Looking forward to the discussion

Fabro Steibel: Hello, I am in listen mode only. Brazil is quite hectic today, so I am partly here, and partly trying to follow what is going on

Pamela Smith: Fabro, we're glad you're here. If you have any comments, be sure to jump in and we can read for you for the record.

Jonathan Zuck: Agree

Jordyn A. Buchanan: Yes what David is saying makes sense to me.

Fabro Steibel: I am ok with it

Jordyn A. Buchanan: +1, I agree these seem duplicative with the existing questions.

Fabro Steibel: Sorry guys, I will have to dash. News on the front here.

Pamela Smith: Thanks for your input, Fabro. Bom dia.

Jordyn A. Buchanan: Seems like a good path forward!

Laureen Kapin 2: Thanks everyone. Good resolution.

Pamela Smith: Goodbye all!

Pamela Smith: Thank you for participating.
