News and Announcements
CCWG-Accountability Issues Formal Update
The Cross Community Working Group on Enhancing ICANN Accountability (CCWG Accountability) has developed a brief & preliminary overview of the proposal for improving ICANN’s accountability. The 36-page document is designed to update the community on recent progress & after ICANN55 in Dublin. Click the link above to access the full document.

Become an ICANN Scholar
Sign up for a course on the new ICANN Learn platform and learn about ICANN and relevant interdependencies. ICANN Learn offers courses in 6 languages including Arabic, Chinese, English, French, Russian and Spanish. Click the link above to begin your first ICANN Learn course today!

What’s the New ICANN Meeting Strategy?
Explore this infographic which explains the new ICANN Meetings Strategy for 2016. And don’t forget to attend the New Meeting Strategy Update in Dublin on Thursday, 27 October at 0990.

RAA Insurance Waiver Levels Playing Field
The ICANN Board recently removed a barrier to registering accredited by waiving the requirement for Commercial General Liability Insurance. The move is expected to benefit registrants in parts of South America and Africa, in particular, where Commercial General Liability insurance is difficult to find - if available at all - and very costly.
