

Cross Community Working Group on Internet Governance

Marrakech Face to Face Meeting / Wednesday @ 10.45am local time.

1. WSIS Forum Workshop Preparation. (20 minutes)

- refine topic
- pick panellists and moderator
- pick flow

2. Discussion on the Purpose of the Working Group and Effectiveness in providing guidance to Staff. (40 minutes)

Based on the WG's operation since its inception, has the CCWG IG delivered on its charter? As a new CEO takes office at ICANN, a F2F discussion on this topic would greatly benefit the CCWG IG in planning for its future. Can improvements be made?
