Ozan Sahin: (13:33) When submitting a question that you want me to read out loud on the microphone in this session, please provide your name and affiliation if you are representing one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud on the microphone, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic.
