

Yesim Nazlar: (6/28/2016 10:59) Hello, my name is Yesim Nazlar and I will be monitoring this chat room. In this role, I am the voice for the remote participants, ensuring that they are heard equally with those who are "in-room" participants. When submitting a question that you want me to read out loud on the mic, please provide your name and affiliation if you have one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud of the mic, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic. Any questions or comments provided outside of the session time will not be read aloud.

Adam Peake (ICANN Staff): (12:20) The community wiki for the CS engagement initiative <https://community.icann.org/display/gsecivilsoc/Civil+Society+Home>

Mohamed EL Bashir: (12:20) Why Do we need to define "Civil Society" at this stage ? what is next after defining "whom is civil society", what are the main objectives after that ... the explanations did not answer those questions to me

Mohamed EL Bashir: (12:28) if the objective is to support/empower the current Civil society structures within ICANN, this should be an ongoing effort by staff and the current structures, this is not clear in the initiative page

Leon Sanchez: (12:31) We could say "if it works, don't fix it"

Cheryl Langdon-Orr (CLO): (12:36) Indeed and I see any construct that can successfully get us greater engagement and interactions with the work all of us are here to do then GREAT we need to be a part of that.

Mohamed EL Bashir: (12:37) +1 George and Markus

Adam Peake (ICANN Staff): (12:38) there was a discussion about the definition and scope of civil society in Marrakech, transcript linked from here <https://meetings.icann.org/en/marrakech55/schedule/thu-civil-society-strategy/transcript-civil-society-strategy-10mar16-en>

Adam Peake (ICANN Staff): (12:39) Jan Scholte made some relevant comments, please see from around page 24

Olivier Crepin-Leblond: (12:40) "Will the Real Civil Society Please Stand Up?" :-)

Mohamed EL Bashir: (12:41) focus on the outreach/engagement initiatives than the title definitions or classifying the current structures

Cheryl Langdon-Orr (CLO): (12:43) Works for me Mohamed

Glenn McKnight: (12:43) I have heard different views on financial support to do civil society engagement

Ismael D. DAO: (12:44) Hello!

Yesim Nazlar: (12:45) Thank you for your participation. The meeting is now adjourned.
