

Yesim Nazlar 2: (6/29/2016 09:24) Hello, my name is Yeşim Nazlar and I will be monitoring this chat room. In this role, I am the voice for the remote participants, ensuring that they are heard equally with those who are "in-room" participants. When submitting a question that you want me to read out loud on the mic, please provide your name and affiliation if you have one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud of the mic, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic. Any questions or comments provided outside of the session time will not be read aloud.

Leon Sanchez: (09:44) This might not be the forum but regardless I would like to convey my condolences to the Turkish People for the tragic events that took place yesterday at Ataturk Airport.

Judith Hellerstein: (09:46) yes it was very shocking and sad. condolences to all

seun ojedeji: (09:49) One of the reasons why seeding these to ALT may have been a bad idea but democracy wins ;-)

Judith Hellerstein: (10:04) I agree with tijani that the selection committee make all these recommendations

seun ojedeji: (10:08) must we vote for everything especially when consensus is observed

Cheryl Langdon-Orr (CLO): (10:11) Seun Yes we should always go for consensus as preference there are a few things *such as in the selection of our Board Member, where vote needs to be taken

Cheryl Langdon-Orr (CLO): (10:13) personally the type of "voting" we are doing here is really running consensus calls for each point

seun ojedeji: (10:16) Thanks, I sometime bring the consensus definition of RIR/IETF here...my bad.

Ariel Liang: (10:35) thanks all. Meeting is now adjourned
