When submitting a question that you want me to read out loud on the mic, please provide your name and affiliation if you have one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud of the mic, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic. Any questions or comments provided outside of the session time will not be read aloud.

Cheryl Langdon-Orr (CLO): (14:13) Yup Daniel I like the format ... needs a little tweek or two, some polishing, but well worth pursuing

Daniel K. Nanghaka: (14:15) Yes, and also my other experience was that I had not to move a lot from one room to another apart from Tuesday where we had a WG meeting on RDS. RDS meeting required a special Jet pack with lots of action points

Glenn McKnight: (14:18) Videos are now live

Cheryl Langdon-Orr (CLO): (14:31) Well we can stay informal... but literally what we are doing now is part of the process use chat, call on me to clarify anything (best to be a Pvt Chat or the others will get grumpy) and we can touch base together informally between now and Hyderabad meeting (you may end up with "homework assignments" of course

Daniel K. Nanghaka: (14:31) I am all good
