Veronica Cretu: (10:38) Speaking about the strategic priorities and given that events, workshops and face-to-face meetings are important to keep the ALSs actively engaged, I strongly believe that what is also very important is what happens in between during these events. What ICANN staff for the region could do is to work on strategizing with ALSs in the region on strengthening their own organizational capacity, helping ALSs learn how to engage effectively in their respective countries and in the region, among others. Thank you!

Valentina: (10:39) Good point, Veronica!

Valentina: (10:40) Oksana mentioned something similar earlier in the meeting as well

Yesim Nazlar: (10:40) Thank you for your participation. The meeting is now adjourned.
