

Glenn McKnight: (6/29/2016 13:32) hi Everyone
Louis Houle: (13:34) Good morning
Gordon Chillcott: (13:34) Good morning.
Murray McKercher (Canada): (13:36) good morning
Ozan Sahin: (13:36) Hello, my name is Ozan Sahin and I will be monitoring this chat room. In this role, I am the voice for the remote participants, ensuring that they are heard equally with those who are "in-room" participants.
Murray McKercher (Canada): (13:37) thank you Ozan
Louis Houle: (13:37) OK
Ozan Sahin: (13:37) When submitting a question that you want me to read out loud on the microphone in this session, please provide your name and affiliation if you are representing one, start your sentence with <QUESTION> and end it with <QUESTION>. When submitting a comment that you want me to read out loud on the microphone, once again provide your name and affiliation if you have one then start your sentence with a <COMMENT> and end it with <COMMENT>. Text outside these quotes will be considered as part of "chat" and will not be read out loud on the mic.
Murray McKercher (Canada): (13:37) fyi seems audio has disappeared from my connection
Ozan Sahin: (13:37) Any questions or comments provided outside of the session time will not be read aloud.
Louis Houle: (13:37) Audio is feable
Ozan Sahin: (13:38) Thank you Murray, meeting will be starting momentarily. That is why you do not have it
Gordon Chillcott: (13:38) I hear you, Murray.
Murray McKercher (Canada): (13:39) ok
Ozan Sahin: (13:43) All chat sessions are being archived and follow the ICANN Expected Standards of Behavior: <http://www.icann.org/en/news/in-focus/accountability/expected-standards>
Louis Houle: (13:50) The inactive ALs could assist NARALO to target new ALs who could join us.
Murray McKercher (Canada): (13:51) I do follow Eduardo's newsletter..great job
Louis Houle: (13:52) + 1
Gordon Chillcott: (13:54) Thank you, Alan!
Murray McKercher (Canada): (13:54) very good point Alan
Glenn McKnight: (13:54) Alan suggested on the survey to include a skills matrix
Glenn McKnight: (13:55) A new survey is pending created by a professional survey taker
Glenn McKnight: (13:55) creatir
Glenn McKnight: (13:55) one second murray
Gordon Chillcott: (13:57) +1 Murray
Louis Houle: (13:57) @ALan: Right
Glenn McKnight: (14:16) General Assembly in New Orleans
Glenn McKnight: (14:16) We created a page and a trello
Glenn McKnight: (14:18) <https://trello.com/b/mwvu440a/naralo-general-assembly>
Glenn McKnight: (14:18) Project planner
Silvia Vivanco: (14:21) <https://community.icann.org/display/atlarge/At-Large+FY17+Special+Request+Implementation+Workspace>
Glenn McKnight: (14:40) anyone have any questions for Chris?
Evan Leibovitch: (14:40) Hi. Just joined. That sounds like Chris Gift, is it?
Glenn McKnight: (14:40) hi Evan
Glenn McKnight: (14:40) no Chris Modini

Evan Leibovitch: (14:40) Ah. Close

Murray McKercher (Canada): (14:42) "The next ICANN"...sounds interesting..Can Chris expand on that? ICANN 2.0

Glenn McKnight: (14:42) note the fellowship program is asking for feedback

Glenn McKnight: (14:42) <https://www.icann.org/public-comments/fellowship-application-process-review-2016-06-14-en>

Evan Leibovitch: (14:43) Murray, I assume the term refers to post-IANA

Murray McKercher (Canada): (14:44) @Evan, Yes I would also make that assumption

Evan Leibovitch: (14:45) Yes, Glenn, you guys have done fantastic work in advancing indiginoud access to fellowship.

Judith Hellerstein: (14:46) thanks Evan

Murray McKercher (Canada): (14:47) fyi http://www.naho.ca/documents/naho/english/2008_Aboriginal_connectivity_rates.pdf

Judith Hellerstein: (14:47) any other questions please let us know

Murray McKercher (Canada): (14:49) icp???

Evan Leibovitch: (14:50) Of course, I view the desired process a little differently. It is my take that Outreach should be a function of professional staff assisted by At-Large volunteers, not the status quo that is the opposite

Murray McKercher (Canada): (14:50) or ipc?

Evan Leibovitch: (14:50) IPC - intellectual property constituency

Evan Leibovitch: (14:50) (the trademark lawyers)

Murray McKercher (Canada): (14:50) @evan thanks

Glenn McKnight: (14:51) any questions or comments on Garth's comments

Murray McKercher (Canada): (14:52) Does Garth have a paper or link to this topic?

Glenn McKnight: (14:53) I will ask Garth for the link

Glenn McKnight: (14:53) to the research

Glenn McKnight: (14:53) i will ask him

Evan Leibovitch: (14:54) Garth: I don't have audio. Unfortunately Compliance seems to be totallty about compliance with monetary issues. It can't act on "illegal" things until they are proven illegal.

Evan Leibovitch: (14:55) Unfortunately, we will have to wait until someone dies from a .doctor website for this all to blow up and demand action.

Glenn McKnight: (14:55) i will read your comments

Evan Leibovitch: (14:55) that is, dies from bad advice or products dispensed from .doctor (or another "trust implied" TLD)

Evan Leibovitch: (14:56) thanks.

Evan Leibovitch: (14:58) Hint to IPC: most bittorent sites are registered under ccTLDs -- what does the IPC expect ICANN to do about those?

Murray McKercher (Canada): (14:59) no judgement here, and hardly a super powerful opiod..but fyi... <https://buymyweedonline.ca/>

Murray McKercher (Canada): (15:00) full disclosure, I have no connection to abovelink..just did a google search

Gordon Chillcott: (15:01) Thanks all. Bye for now.

Yesim Nazlar: (15:01) This meeting is now adjourned. Thank you all for participating!
