EC – What Does It Mean

- EC – Empowered Community
- Term used for Designator structure and how community will come together to use powers
- 5 SO/AC "Decisional Participants"
  - ALAC
  - ccNSO
  - GNSO
  - ASO
  - GAC

EC – What Does It Mean

- EC Administration
  - Mechanism for communication of EC decisions
  - Made up of Chairs of decisional participants or their designees
 - No discretion to act outside of EC decisions

- Board selection
  - No change to internal processes
  - Notify EC of selection
  - EC must appoint selected persons – no discretion

- Prepare to Exercise Community Powers
  - *SOs/ACs should develop, if not existing yet, internal processes*
    - Raising petitions
    - Joining petitions
    - Organize participation in community forum (if coordination desired)
    - Reach decision on exercise of power

Escalation Path

Selection of review team membership and groups

- AoC reviews are now in Bylaws, with SO/AC obligation in identifying participants and SO/AC chair participation in selection of team
- PTI-related reviews
  - IRT (Regular and Special)
  - SCWG (Separation reviews)
- CSC

Most Pressing Needs

- Internal Processes for exercising new roles/powers
  - Community power deliberation
  - Team member selection
  - Quick timeframes for community powers
  - New types of issues/meetings
- CSC selection (22 July 2016)
- Review teams
- Coordination across SO/ACs
