

Nathalie Peregrine:Dear all, welcome to the SCI call on the 12th May 2015

Wolf-Ulrich Knoben:Hi all

Nathalie Peregrine>Welcome Wolf-Ulrich!

Rudi Vansnick:many calls are in overlap in the last couple of weeks

Mary Wong:Apologies, I forgot Greg has stepped off and Lori is now IPC alternate!

Anne Aikman-:that's fine Mary - very fresh news!

Angie Graves:My SOI has changed

Mary Wong:@Angie, is it updated on the wiki page? Let us know if you need us to resend.

Nathalie Peregrine:Jennifer Standiford has joined the call

Julie Hedlund:@Angie -- in the wiki it is pointed to the SOI on the page where they all are posted. I think if you make changes to it then the link reflects the new version.

Angie Graves:updated on wiki, yes

Julie Hedlund:@Angie: Thanks. Then it should be up to date.

Julie Hedlund:@Angie: Thanks Angie, I'll make that change.

Angie Graves:Thank you, Julie!

Mary Wong:@Wolf-Ulrich, that is correct.

Mary Wong:I'd raised my hand to make the same point re NCAs

Julie Hedlund:@Anne: I have made the changes to the member list on the wiki.

Nathalie Peregrine:Jennifer is not on the audio brudge and I do not see her mic as enabled right now

Nathalie Peregrine:@ Jennifer, we can dial out to you, please provide a contact number via private chat if this helps

Jennifer Standiford:I had problems with the audio. reconnecting now.

Mary Wong:There is a process - a custom, but not documented

Rudi Vansnick:maybe having an additional call in 2 weeks or so ?

Rudi Vansnick:great

Rudi Vansnick:thanks

Julie Hedlund:I can recommend times and Nathalie can send a Doodle.
