Note: Additions are appended to the end of the table unless they clearly fit within an existing category of documents already identified.

### KEY

“Identified by” indicates who first identified the document as input – in several cases, the same document was suggested more than once.

“Reviewed by/Link To” indicates which member of this small team:

- posted a summary of the document, focusing on portions relevant to Purpose (**hyperlinked to submitted summary**), or
- volunteered to summarize portions of the document relevant to Purpose.

“Status” indicates the summary has been **(A)ssigned to the reviewer but not yet submitted** or (S)ubmitted to the email list.
