4) ADDITIONAL DUE DILIGENCE

a. How active and well known is the applicant organization?

Number of results for a Google search of organization in quotes: 1790

Additional information if any:

ICANN At-Large – Staff Due Dilligence

Hi All,

My apologies for the late reply.

I haven't heard from this organization before. However, by looking at the questionnaire it seems that they are active and potentially useful to further individual Internet end users in a highly demanded topic which is cybersecurity. They are making a good case for linking ICANN's remit to the broader cybersecurity agenda.

Let me know if you want me to analyze and research further.

Best,

Rodrigo de la Parra
