Note: Additions are appended to the end of the table unless they clearly fit within an existing category of documents already identified.

KEY

“Identified by” indicates who first identified the document as input – in several cases, the same document was suggested more than once.

“Reviewed by/Link To” indicates which member of this small team:

- posted a summary of the document, focusing on portions relevant to Purpose (**[hyperlinked to submitted summary](#)**), or
- volunteered to summarize portions of the document relevant to Purpose.

“Status” indicates the summary has been **[\(A\)ssigned to the reviewer but not yet submitted](#)** or (S)ubmitted to the email list.
