

Civil Society Engagement working call

14:00 - 15:00 UTC, Friday February 12

Open call and core contact group

This call is in order to review progress and identify further core contact group volunteers, as well as start reviewing and assessing the draft catalogue of existing civil society content and list of events, both of which will be shared before the call.

The call will be in English.

Agenda:

1. Core contact group, suggested tasks from strategy approach:
 - discussion of the role and working methods of the core contact group (regular calls, meeting in Marrakech)
 - input to regional newsletters (news and events updates)
2. Review of civil society content catalogue (recommend additions or updates)
3. Review of events for the shared calendar (recommend and review possible events for participation)
4. Update on overall progress, plans for Marrakech
5. AoB
