GNSO Council Communication to Bylaws Coordination Group

To: Bylaws Coordination Group
Cc: CCWG-Accountability and CWG-Stewardship

Dear Bylaws Coordination Group:

The GNSO Council thanks you for your efforts in attempting to distill the instructions found in the CCWG-Accountability Report into a revised version of ICANN's Bylaws. We note that the draft Bylaws have generated significant public comment from members of the GNSO community.

We ask you to carefully review each of these comments and give them serious consideration. It is important that the revised Bylaws remain faithful to the CCWG-Accountability Report on which we, as a Council, were called upon to vote in Marrakech. We are fully at your disposal should you wish to consult us on any issue raised in the comments generated by the GNSO community.

Kind regards,

James Bladel
GNSO Chair
