Carlton Samuels: Howdy everybody

Jonathan Zuck: Hello and good morning to you!

Laureen Kapin: Hello folks! We'll start shortly. Fabro will likely not be able to join us so we'll start off with Carlton for the presentations. when we get to that item on the agenda.

Gaongalelwe: hello colleagues

Carlton Samuels: OK

Carlton Samuels: I have

Drew Bagley 2: yes

Gaongalelwe: not yet I'm afraid ;)

Carlton Samuels: Actually I don't have a list yet.

Carlton Samuels: I'm going to call in in a few.

Carlton Samuels: Yes, Ready for that

Jonathan Zuck: I'll take Measuring theGlobal Domain Name System

Jonathan Zuck: I endorse this statement

Eleeza Agopian: I added a column to the reading list table on this page:

Laureen Kapin: Welcome Fabro -- glad you can join us.!

Jonathan Zuck: I wonder if we could hire Berry to do this

Jonathan Zuck: it sounds like a great idea

Jonathan Zuck: if it's data driven, that will go a long way towards credibility

Drew Bagley 2: yep

Drew Bagley 2: It would go toward our goal of a data-driven CCT Review

Jonathan Zuck: exactly Drew

Jonathan Zuck: Eliza Domuch!

Brian Aitchison: haha

Eleeza Agopian: :) Wouldn't be the first time.

Jonathan Zuck: Would that process need to be completed by end of June or is there some other threshold we need to cross to have the money allocated for this year?

Karen Lentz: agree with Margie, the timeframes can be pretty variable

Brian Aitchison: sure, I'm happy to organize that.

Karen Lentz: i have to drop off adobe but will still be on the call

Calvin Browne: late but here....

Jonathan Zuck: we'd better trust them! ;)

Jonathan Zuck: thanks. happy to get on a call with Xavier or osetting if that's helpful

Fabro Steibel (desktop): I am ok

Margie Milam: old hand

Fabro Steibel (desktop): Yep

Alice Jansen: Would you like us to dial out to you Carlton?

Carlton Samuels: @Alice I'm on thnaks.

Carlton Samuels: BTW, would you be so kind and load the Nielsen Consumer Attitude Report thanks when I ask

Gaongalelwe: @Staff, I have emailed my prezies

Brenda Brewer: Thank you Gao.

Carlton Samuels: BTW, I'm coming into the audio bridge via Skype so there might be dips in audio level

Carlton Samuels: I emailed my summary to you ALice

Gaongalelwe: thanks Brenda

Brian Aitchison: ie confirmation bias

Brian Aitchison: @drew

Drew Bagley 2: yup - that's the phrase I was looking for

Brian Aitchison: something to be aware of in our report!

Brian Aitchison: :-)

Fabro Steibel (desktop): yes!

Drew Bagley 2: Thanks Fabro

Brian Aitchison: but also shows how report with good ideas can be critiqued from a method perspective

Drew Bagley 2: I have to run for the CCT CENTR call

Drew Bagley 2: ciao

Eleeza Agopian: Apologies -- I'm also joining the CENTR call. Talk to all of you soon.

Fabro Steibel (desktop): yes

Brian Aitchison: i can hear you gao!

Laureen Kapin: We can hear you now Gao, thanks for turning up the volume.

Calvin Browne: lost sound there

Fabro Steibel (desktop): can't hear

Alice Jansen: Slides layout does not read properly in the AC it seems - you can find Gao's slides here ---

Alice Jansen: Gao - do you have a # we can call?

Gaongalelwe: thank you Laureen.

Gaongalelwe: you keep falling out and back into sound

Fabro Steibel (desktop): tank uou all! thank you Laureen

Brian Aitchison: thanks everyone!
