ELEEZA AGOPIAN: I think in that case, this is going to be a shorter call than we anticipated. We had at least one other RSVP, but they had to send their regrets this morning.

I noticed this morning that Waudo had included some edits to the Google document, which seemed to be primarily some word changes. Waudo, I don't know if you want to touch on those or if you had any questions about those or comments on what you added to the Google document. But we can talk about that.

WAUDO SIGANGA: How do I get this microphone on? Can you hear me?

ELEEZA AGOPIAN: Yes, we can.

WAUDO SIGANGA: Hello?

ELEEZA AGOPIAN: Yes, we can hear you.

WAUDO SIGANGA: You can hear me?

ELEEZA AGOPIAN: Yes, we can hear you.

WAUDO SIGANGA: Can I just mention? There are not so many. I could mention them.

ELEEZA AGOPIAN: Okay.

WAUDO SIGANGA: Can I go ahead and mention them?

ELEEZA AGOPIAN: Sure.

WAUDO SIGANGA: Hello?

ELEEZA AGOPIAN: Yes, Waudu, we can hear you.

WAUDO SIGANGA: Oops. I have to make sure I'm not talking to nobody. Okay, so I proposed a change on Question [625], I don't know whether you can get to that, [625]. Are you there?

---

ELEEZA AGOPIAN: Yes. You can scroll through the pages in the Adobe Room on your own.

WAUDO SIGANGA: Okay. [625]. I've got to get there.

ELEEZA AGOPIAN: Looks like it's on page 5.

WAUDO SIGANGA: Page 5, yeah. [625] is on page 5, okay.

UNIDENTIFIED MALE: Yeah, and I saw your suggestion, Waudu, which was just to remove the words "small" and "smaller" of the first two categories –

WAUDO SIGANGA: Yeah, "small" and "smaller" just to – yeah, that's okay?

UNIDENTIFIED MALE: Yeah, no problem.

WAUDO SIGANGA: And then the question is asking about which types. I thought it would be clearer if it asked about the size of the business, rather than what type.

---

UNIDENTIFIED MALE:            Yeah, that's fine as well.

WAUDO SIGANGA:            So the understanding will be – yeah, that's fine, okay. I guess that was it, except for Question [813]. There is just one word that I thought we could add. I don't know what page that is. Is it up for you guys? Is it page 813?

ELEEZA AGOPIAN:            I'm looking for it.

UNIDENTIFIED MALE:            It's page 22.

WAUDO SIGANGA:            Page 22, okay.

UNIDENTIFIED MALE:            Yeah. And you suggested changing "kept" to "retained." And that's fine.

WAUDO SIGANGA:            Okay, all right.

UNIDENTIFIED MALE:            And I think you had a couple of other minor wording changes or some typo corrections or something. I looked at everything.

---

WAUDO SIGANGA:                    Yeah, those I just typed in.

UNIDENTIFIED MALE:            Yeah, I looked at everything, and it looked fine. Thanks for those comments.

WAUDO SIGANGA:                    Okay. There's one other thing. Hello?

ELEEZA AGOPIAN:                Yes.

WAUDO SIGANGA:                    Hello? Yeah, there's one other thing that I didn't put in the comments. But I remember though the time we discussed the use of this word, "trustworthy." I don't know. In that [inaudible] question, did we reach a resolution about it, for the understanding of the person being asked the question? "Trustworthy," it's kind of a subjective term. I can see it in Question [725]. Question [725], did we decide to continue using that word?

UNIDENTIFIED MALE:            We did, Waudo. We did discuss this in an earlier meeting and decided to keep it, because that's a question that we're trending from last wave. And so we didn't want to change that question substantially. So we

---

understand the limitation of the word, but for trending purposes we wanted to keep it the same.

WAUDO SIGANGA: Okay. Thank you. I think that's it.

ELEEZA AGOPIAN: Okay, thank you, Waudu. Well, Dave, Paul, I'm sorry we don't have more people on the call and to not have more to discuss today. I was hoping we would have a few more on, but it seems that didn't happen. And I didn't get any further comments. So what I'm going to do is write back to the group, give them a hard deadline of next week to get us any further comments. Otherwise, we're going to assume that everyone's comfortable with this questionnaire.

UNIDENTIFIED MALE: That sounds great. And I'll keep checking into the Google doc to see if any other comments show up.

ELEEZA AGOPIAN: Great, and I'll flag you if I see anything, because I get notifications when changes are made.

UNIDENTIFIED MALE: Super, thank you.

---

ELEEZA AGOPIAN:

Okay. Well, Waudu, thank you for joining us, and thanks for your comments. So I guess with that, we can end our call. Take care, everybody.
