

Expression of Interest for Work Stream 2 Topics

Introduction

The CCWG-Accountability (CCWG-ACCT) is seeking volunteers to participate in sub-groups for each of the nine identified Work Stream 2 topics. This Expression of Interest is designed to provide an open, transparent way to indicate your interest in participating in this sub-group work.

There are two ways to volunteer:

1. As an **active participant** who wishes to engage in the day-to-day discussions of the particular topic. Each active participant is expected to spend at least 3-5 hours per week on sub-group work and will have posting rights to the mailing list.
2. As an **observer** who wishes to follow the topic discussion but not actively participate at the sub-group level. Observers are not expected to spend time on sub-group work and will not have posting rights to the mailing list.

Each sub-group will be responsible for developing the framework for discussion, putting forward suggestions and proposing solutions to the full CCWG-ACCT on its respective topic. While the majority of work will take place at the sub-group level, all decisions about utilizing outputs of the sub-group will be made during Plenary calls by the full CCWG-ACCT.

This sub-group system for organizing Work Stream 2 has been implemented to allow work to take place effectively and within reasonable timeframes. Sub-groups are expected to be small, coherent groups with diverse participation from across the CCWG-ACCT. The sub-groups will develop recommendations for each topic, and their work will later be considered, revised and shaped by the full CCWG-ACCT.

The co-Chairs will assess the list of volunteers for each topic area and try to encourage balance of representation from across the CCWG-ACCT to determine the makeup of each sub-group. From the list of volunteers, the co-Chairs will nominate lead drafters or rapporteurs for each sub-group, and the full CCWG-ACCT will discuss and finalize the makeup of sub-group's volunteers.

You do not have to volunteer for a sub-group to influence the result of the topic.

Participation in the full CCWG Plenary discussions will allow every member or participant the opportunity to provide input on any given topic. Your time commitment is up to you.

Instructions for using the document

Using the **blue** and **orange** boxes below, please enter your name and email address into the topics you have an interest in volunteering in.

- Entering your name in the **blue** box means you'd like to volunteer as an **active participant**
- Entering your name in the **orange** box means you'd like to volunteer as an **observer**.

NOTE: The names that have been highlighted in yellow represent those participants who have indicated an interest in serving as the subgroup's rapporteur(s)
