

Michelle DeSmyter:Dear All, Welcome to the Standing Committee on Improvements Implementation call on Thursday, 02 June 2016 at 18:00 UTC.

Wolf-Ulrich Knoblen:Hi all

Sara Bockey:hello

Rudi Vansnick:welcome Wolf-Ulrich, Sara

Rudi Vansnick:waiting for the other members

Rudi Vansnick:we have apologies from Amr

Rudi Vansnick:welcome Angie, Anne

Angie Graves:Thank you. Dialing in now

Angie Graves:My apologies for my delay

Wolf-Ulrich Knoblen:now I understand the point...

Anne Aikman-Scalese:I don't have a strong opinion either way - just would like to know what our draft language actually means in this regard.

Anne Aikman-Scalese:We should add after "on an interim basis" the following (i.e. during the 14 days)

Sara Bockey:I agree with Anne on #4...I think we should be explicit in what is meant and currently some could view this as a grey area

Wolf-Ulrich Knoblen:+1

Mary Wong:Shall we just insert "within the allotted time period" in 4, after "interim basis"? ie remove from 2 & 3 as noted, but insert in 4 for clarity?

Anne Aikman-Scalese:@ Mary - that would certainly also work for me - for clarity

Rudi Vansnick:good proposal Mary ... let's get agreement on this ...

Anne Aikman-Scalese:FYI that was my original proposal - put in 4 the language you are taking out of the last sentence of 3.

Mary Wong:@Anne, so it was!

Anne Aikman-Scalese:I think we can still send out for consensus call with changes in language made today.

Mary Wong:Two weeks from today will be 16 June, so Amr can provide a written update to the Council at that time, before people start traveling to Helsinki.

Anne Aikman-Scalese:@Mary - sounds good!

Anne Aikman-Scalese:When does GNSO meet in Helsinki? is there a weekend meeting before or no such meeting? (Not as to SCI - just a question.)

Julie Hedlund:@Anne: The GNSO Council meeting is on Thursday, and a short meeting on Monday for preparation, and no weekend session.

Anne Aikman-Scalese:Thank you Julie. I have Accountability on Sunday so was just checking.

Michelle DeSmyter>Welcome Renata!

renata aquino ribeiro:apologies for joining so late. connection issue.

Julie Hedlund:Thanks so much everyone!

renata aquino ribeiro:Planning for Hyderabad?

Julie Hedlund:Drinks sound good :-)

Anne Aikman-Scalèse:Thanks everyone. Goodbye - hope we can all have a drink together in Helsinki!

renata aquino ribeiro:ok thanks

Sara Bockey:Thank you all!

Anne Aikman-Scalèse:Thank you Rudi.
